

# About the Miss Hawaii Organization

Since 1948, The Miss Hawai'i Scholarship Program has been committed to young women in furthering their pursuit of higher education, deepening their commitment to community service, and instilling a life-long pursuit of personal development.

The Miss Hawai'i Scholarship Program has been a proven catalyst in identifying and developing the future community leaders for our state.

Each year over \$500,000 in cash scholarship and in-kind tuition grant waivers are made available to women ages 13-24. These scholarships are administered through both our Outstanding Teen and Miss Hawaii competitions.
